## Intercontinental Communications Terminal

The Intercontinental Communications Terminal, located in the **Master Bedscape**, has been provided to guests of **Apartment 2** to facilitate direct dialogue with a remote **Institute for Recurrent Progress** representative (or IRP-Rep™).

With the simple deployment of a variety keystrokes, followed by a solid depression of the "Enter" button, the IRP-Rep™ will receive your most thoughtful and developed messages and respond in kind:

For example, you may choose to ask the IRP-Rep™:

*"What are my chances of finding the truth in opportunity?"*

*"What is safety and where can I keep it?"*

*"How can I best procure Institute paraphernalia with which to populate my own home?"*

All IRP-Reps™ are hand-trained at the Institute headquarters and are available to respond at various times during each day. You can be certain that when speaking to the IRP-Rep™ that your communiqués will stored and sorted into your permanent Institute file with the greatest confidence and only distributed to **Grand and Lesser Admirals** within the Institute if you are determined to be wavering in your membership obligations.

Should you experience any malfunctions or small fires in your attempts to implement the Intercontinental Communications Terminal, please contact the [REDACTED] (pictured below) and we will dispatch a technician for onsite remedy.

Enjoy your linguistic exchanges and remember:

*"I just know that something good is going to happen.  
And I don't know when,  
but just saying it could even  
make it happen."*
